

We host Events for the Fun of It! Golf Outings, Social Events and Parties!

Take a glimpse at the fun we will plan for you & your guests at Meridian Sun:

- **Hittin' Happy Hour** - How about an Open Bar on the Practice Range and unlimited range balls? Who says you can't drink and drive? If you're feeling tipsy you can also reserve a Golf Coach to help your guests with a few tips..
- **Party Putters** - Enjoy the beautiful sunset from our patio while you party with a 6 Hole Putting Course and Open Practice Range. Cash, limited or open bar options.
- **Sundown Scramble** - Play three the first three holes during the daylight and remaining 6 holes at night (night-lite golf)
- **Night Lite Scramble** – Play a 6 to 9 hole scramble after dark with night lite golf balls and glow in the dark markers and flag sticks.
- **Par Threes PLEASE** – Play every hole as a par three from varying lengths. Play 9 or 18 holes.
- **“Heart of the Course”** Scramble – Play a scramble from a variety of challenging approach locations. You'll see the course in a whole new way.
- **Chip, Putt & Practice** - Get your group together for a 30 minute golf clinic and then Play a 6 hole Chip and Putt Course. Bar Service as you play.
- **One Club Speed Scramble** - It's NOT how GOOD you PLAY, but how FAST you go.
- **Three Club Scramble** - Each player gets to choose three clubs. Clubs can be shared by the team.
- **Patriot Scramble** - Play an equal number of holes from the Red, White and Blue Tees. (9 or 18)
- **The “Wheel” Scramble** - Use a shot from each team member during the play of the hole and you may deduct one stroke from your score.
- **High Five Scramble** - Each team receives a die to roll at the end of every hole. Excluding a 5 your team must add the number rolled to the team score. If a 5 is rolled the team may deduct 5 strokes from the team score.
- **Low Roller Scramble** - Roll the dice on every tee to see what club the team will use for the tee shot. #1 - Driver, #2 - Fairway Wood, #3 Pitching Wedge, #4 - 7 Iron, #5 - 5 Iron, #6 - Hybrid
- **Orange Ball Scramble** - Each team receives one orange golf ball. During the play of the hole one player must play the orange ball. The team must determine a rotation before beginning play. That rotation is then used throughout the round. If the person who plays the orange ball holes the putt, the team may deduct one stroke. If the team loses the orange ball, it may not be replaced.
