PROGRESSING JUNIORS TOWARDS PAR OR BETTER ON AND OFF THE COURSE

The Meridian Sun Winter Junior Academy will begin in January and will use the Operation 36® framework to structure the program. The schedule will provide weekly classes, supervised practices and skills challenges. Players will be tested for both their knowledge and their performance of each of the Operation 36® objectives. Once they pass they are rewarded and will move forward to the next objective.

ACADEMY CLASSES

LEARN THE GAME

During the weekly classes, students will learn about one or more objectives and then practice and perform the objective in a contest or game.

OPERATION 36® PLAY HOURS

TEST YOUR SKILLS

We will not have Operation 36® matches during the winter semester. Students will receive two hours of simulator play time outside of class.

SUPERVISED PRACTICE

TEST YOUR SKILLS

Supervised practices are offered to accelerate the learning process and give students the opportunity to practice & play with the coaches.
